

Corporate Partnership Opportunities Catholic Education Winona

COTTER
SCHOOLS

Dear Current & Future Corporate Partners:

On behalf of Catholic Education Winona (CEW), I would like to introduce you to our Corporate Partnership Campaign.

As our schools continue to enjoy success in the classroom and within activities, we continue to receive outstanding support from area businesses. Over the past few years, the Corporate Partner Campaign has allowed us to hold our students to the highest academic standards and challenge each of them to develop their full potential academically, physically, spiritually and socially. Properly preparing our students is vital for their future success and will leave a lasting impact on their lives and on the communities they will serve.

The Corporate Partnership Campaign was initiated to bring area businesses and CEW together in a joint venture. It is used to generate much needed revenue as we continue to encourage and support our students to become more than they can imagine. We also strive to promote our corporate partners.

In exchange for cash donations or in-kind gifts, businesses receive recognition benefits such as event programs, public address announcements, signage rights, major event sponsorships and tickets.

Catholic Education Winona is certain the Corporate Partnership Program will be a win-win situation for both CEW and Corporate Partners. Please consider upgrading, renewing or joining the CEW Corporate Partner Program and becoming a member of our winning team!

Sincerely,

A handwritten signature in black ink that reads 'Travis Whipple'.
