

In an effort to maximize student-learning opportunities and to continue to move learning forward, Cotter Schools will utilize Flexible Learning Days beginning immediately for the remainder of the school year. On days when school is cancelled due to bad weather or other unforeseen reasons, students will be required to complete work for their classes online.

Teachers will have required classwork, assignments, and/or other necessary information posted in Renweb by 10:00 a.m. Teachers will be available to answer questions and provide feedback through email, Google Classroom, Google Hangouts, and other preferred methods from 10:00 a.m. - 2:00 p.m.

Students are responsible for coursework assigned during Flexible Learning Days. As a result of utilizing Flexible Learning Days, no additional days will need to be added to the calendar at the end of the school year, and more importantly, students will continue to learn valuable content and skills even though they are unable to meet fact-to-face with their teacher and classmates.

Please let us know if you have any questions.

Sincerely,

Mary Eileen Fitch and Dave Forney
