

## President's Report

Dear Friends of the Catholic Schools Foundation (CSF):

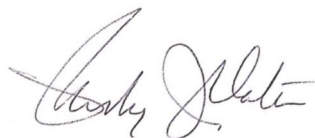

While working on various projects and responsibilities associated with CSF, I find myself frequently reflecting on our simple but powerful Mission Statement which is: "To promote the continued success, viability and availability of Catholic Schools Education for Winona".

While we are a separate, independent, legal entity from WACS (Winona Area Catholic Schools) and Cotter, our mission is to provide continued financial support to the Catholic Schools in Winona Pre-K through 12th grade.

As you review the CSF Financial Summary in this mailing, including the Foundation distribution to our schools this past year, please know that none of this would be possible without the continued financial support from all of you. We were once again blessed by many gifts, both current and deferred gifts through the Father Paul Nelson Legacy Society.

This October, CSF held a strategic planning meeting attended by our current board and guests who have long supported our Catholic Schools, some even from the group of original incorporators and first Board of Trustee's. One unanimous recommendation, coming from the group, is that we continue to grow, and become an even greater resource for Catholic education in the Winona Area. We continue to value your partnership with us as we support our schools and kids far into the future. We invite you to again join us and thank you for your consideration of a gift to our annual Thanksgiving appeal.

Sincerely,

Tim Dalton

Your investment and commitment to our Catholic schools in Winona has been admirable and we would like to take this time to thank you. Your support, is part of the future of Catholic Education.

We would also like to extend an invitation to join the CSF Father Paul Nelson Legacy Society. This society is CSF's deferred giving program, and will invest in the future of our Catholic schools while memorializing your support of our schools through a legacy gift. Making a deferred gift through your estate planning most significantly demonstrates your commitment to the Catholic Schools in Winona, and will set an example and encourage others to follow your lead.
